
 The Summary of Benefits and Coverage (SBC) document will help you choose a health [plan](#). The SBC shows you how you and the [plan](#) would share the cost for covered health care services. **NOTE: Information about the cost of this [plan](#) (called the [premium](#)) will be provided separately.** This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, call 844-610-7872. For general definitions of common terms, such as [allowed amount](#), [balance billing](#), [coinsurance](#), [copayment](#), [deductible](#), [provider](#), or other underlined terms see the Glossary. You can view the Glossary at [www.dol.gov/ebsa/healthreform](http://www.dol.gov/ebsa/healthreform) or call 844-610-7872 to request a copy.

Important Questions	Answers	Why This Matters:
<p><b>What is the overall <a href="#">deductible</a>?</b></p>	<p>Tier 1 <a href="#">Network providers</a>:  <b>\$1,500</b>/individual or <b>\$3,000</b>/family                      Tier 2 <a href="#">Network providers</a>:  <b>\$4,500</b>/individual or <b>\$9,000</b>/family  <a href="#">Out-of-network provider</a>:  <b>\$10,000</b>/individual or <b>\$20,000</b>/family</p>	<p>Generally, you must pay all of the costs from providers up to the <a href="#">deductible</a> amount before this <a href="#">plan</a> begins to pay. The <a href="#">deductible</a> is <b>Embedded</b>. If you have other family members on the <a href="#">plan</a>, each family member must meet their own individual <a href="#">deductible</a> until the total amount of <a href="#">deductible</a> expenses paid by all family members meets the overall family <a href="#">deductible</a>.  <b>Deductible year runs 01/01 – 12/31</b></p>
<p><b>Are there services covered before you meet your <a href="#">deductible</a>?</b></p>	<p>Yes. <a href="#">Preventive care</a> services are covered before you meet your <a href="#">deductible</a>.</p>	<p>This plan covers some items and services even if you haven't yet met the <a href="#">deductible</a> amount. But a <a href="#">copayment</a> or <a href="#">coinsurance</a> may apply. For example, this plan covers certain <a href="#">preventive care</a> without <a href="#">cost-sharing</a> and before you meet your <a href="#">deductible</a>. See a list of covered <a href="#">preventive</a> services at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a>.</p>
<p><b>Are there other <a href="#">deductibles</a> for specific services?</b></p>	<p>No.</p>	<p>You don't have to meet <a href="#">deductibles</a> for specific services.</p>
<p><b>What is the <a href="#">out-of-pocket limit</a> for this <a href="#">plan</a>?</b></p>	<p>Tier 1 <a href="#">Network providers</a>:  <b>\$3,500</b>/individual or <b>\$7,000</b>/family                      Tier 2 <a href="#">Network providers</a>:  <b>\$9,000</b>/individual or <b>\$18,000</b>/family  <a href="#">Out-of-network provider</a>:  <b>\$15,000</b>/individual or <b>\$30,000</b>/family</p>	<p>The <a href="#">out-of-pocket limit</a> is the most you could pay in a year for covered services. The <a href="#">out-of-pocket limit</a> is <b>Embedded</b>. If you have other family members in this <a href="#">plan</a>, they have to meet their own <a href="#">out-of-pocket limits</a> until the overall family <a href="#">out-of-pocket limit</a> has been met.</p>
<p><b>What is not included in the <a href="#">out-of-pocket limit</a>?</b></p>	<p><a href="#">Premiums</a>, <a href="#">balance billing</a> charges, and health care this <a href="#">plan</a> doesn't cover.</p>	<p>Even though you pay these expenses, they don't count toward the <a href="#">out-of-pocket limit</a>.</p>
<p><b>Will you pay less if you use a <a href="#">network provider</a>?</b></p>	<p>Yes. See <a href="http://BRHCBenefits.com">BRHCBenefits.com</a> or call 844-610-7872 for a list of <a href="#">network</a></p>	<p>This plan uses a <a href="#">provider network</a>. You will pay less if you use a <a href="#">provider</a> in the <a href="#">plan's network</a>. You will pay the most if you use an <a href="#">out-of-network provider</a>, and you might receive a bill from a <a href="#">provider</a> for the difference between the <a href="#">provider's</a> charge and what your <a href="#">plan</a> pays (<a href="#">balance</a></p>

	<a href="#">providers</a> .	<a href="#">billing</a> ).
Do you need a <a href="#">referral</a> to see a <a href="#">specialist</a> ?	No.	You can see the <a href="#">specialist</a> you choose without a <a href="#">referral</a> .

 All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
